Successful log in will lead users to feed.

Users can filter feed by location on campus.

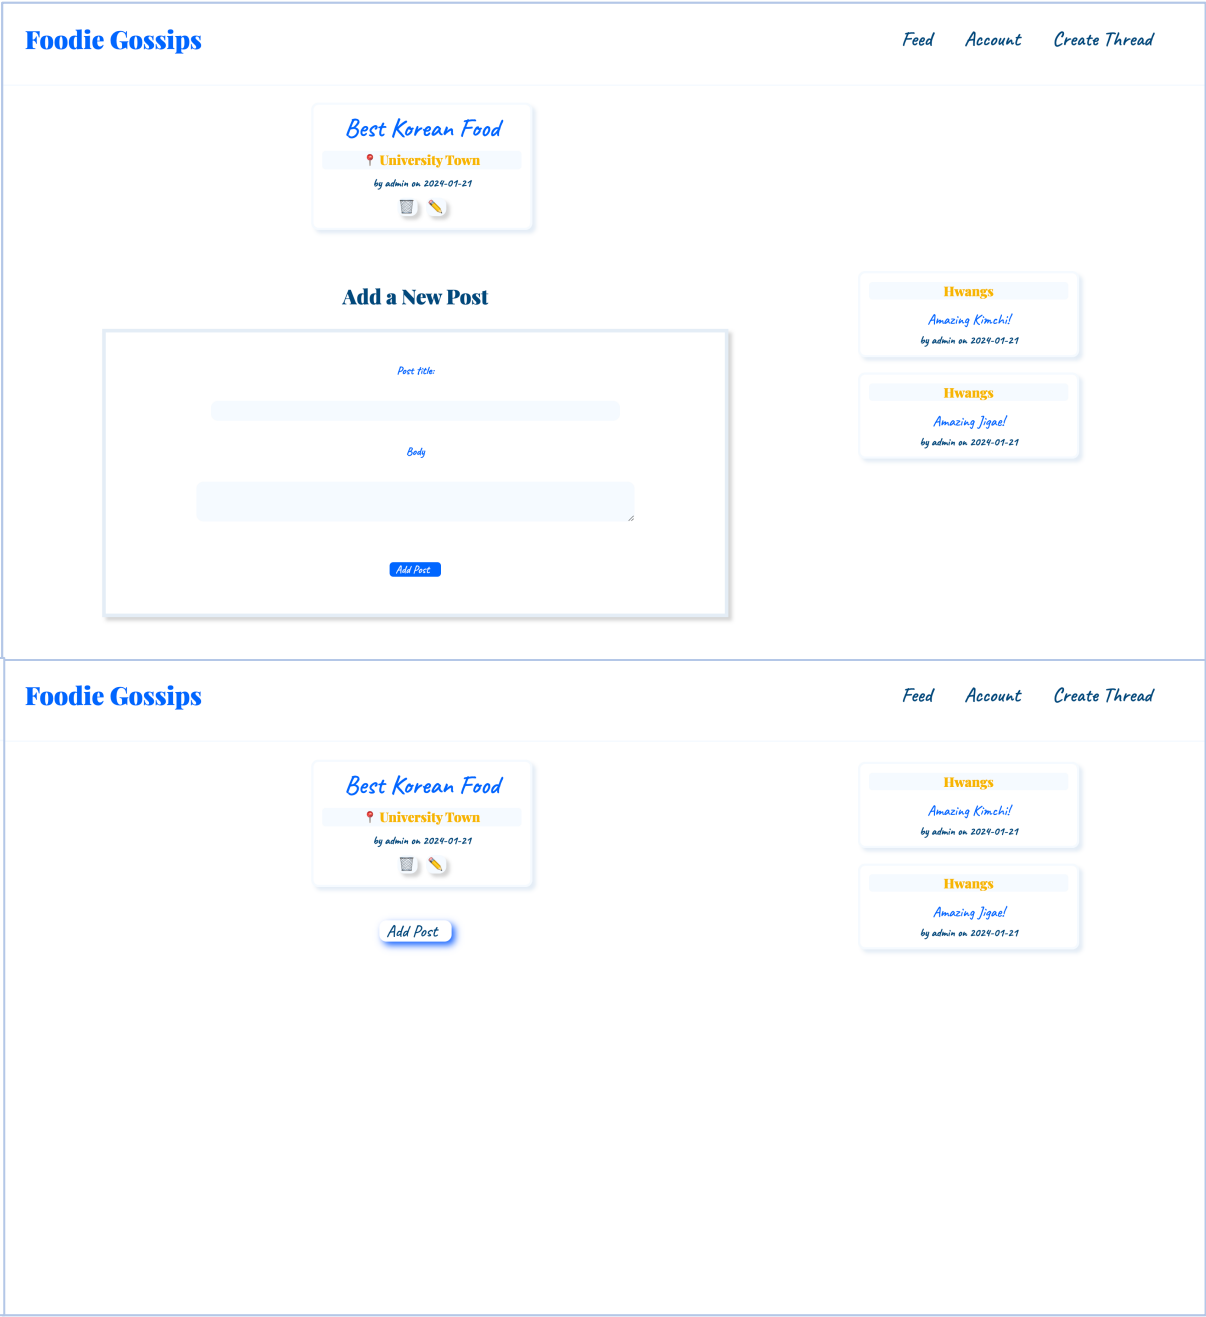

This page will not be visible if user is not logged in and tries to access it via the URL.

Users can click on each thread / post and and view the relevant posts / comments posted in response to it.

You can also add post or add comments to that thread / post they clicked on.

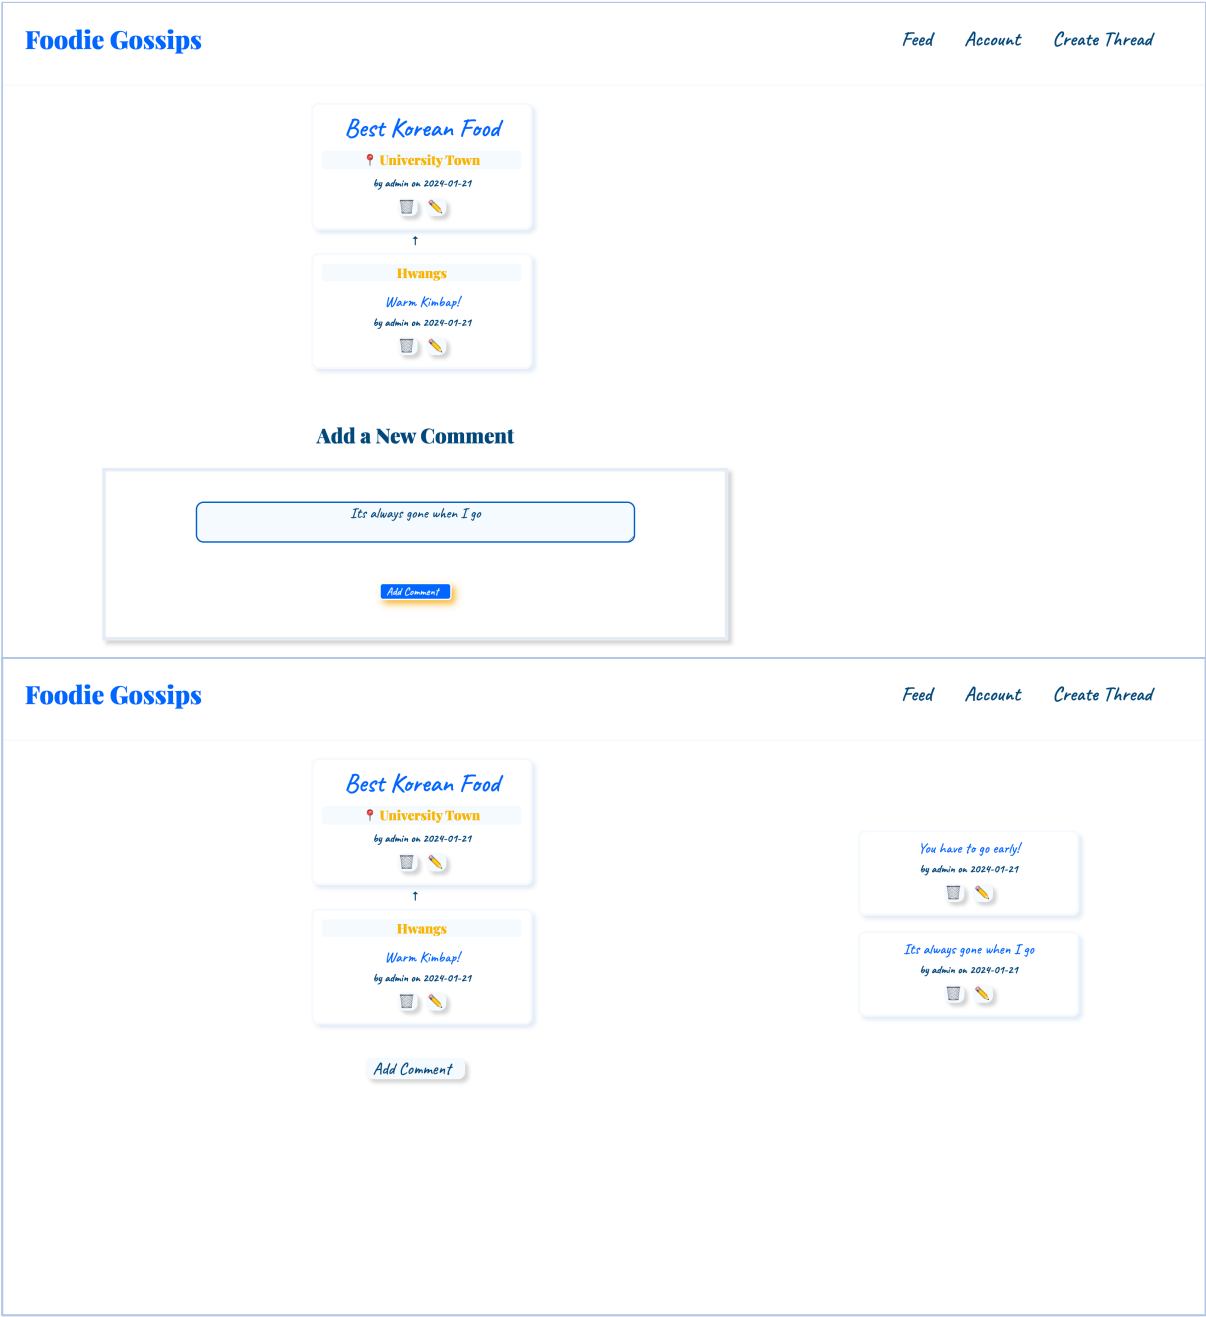

To create a thread, click on “Create Thread”.

Similarly, you can click on the posts shown after you have selected a thread.

This shows you the thread and post you have chosen, added with the comments posted to that post.

You can also add your own comments

Click on “Account” to reach your profile page, this will show the threads, posts, comments you have create for edit  and delete .

Click on the respective emoji buttons for your desired use case.

It's always gone when I go

by admin on 2024-01-21

Yummy!

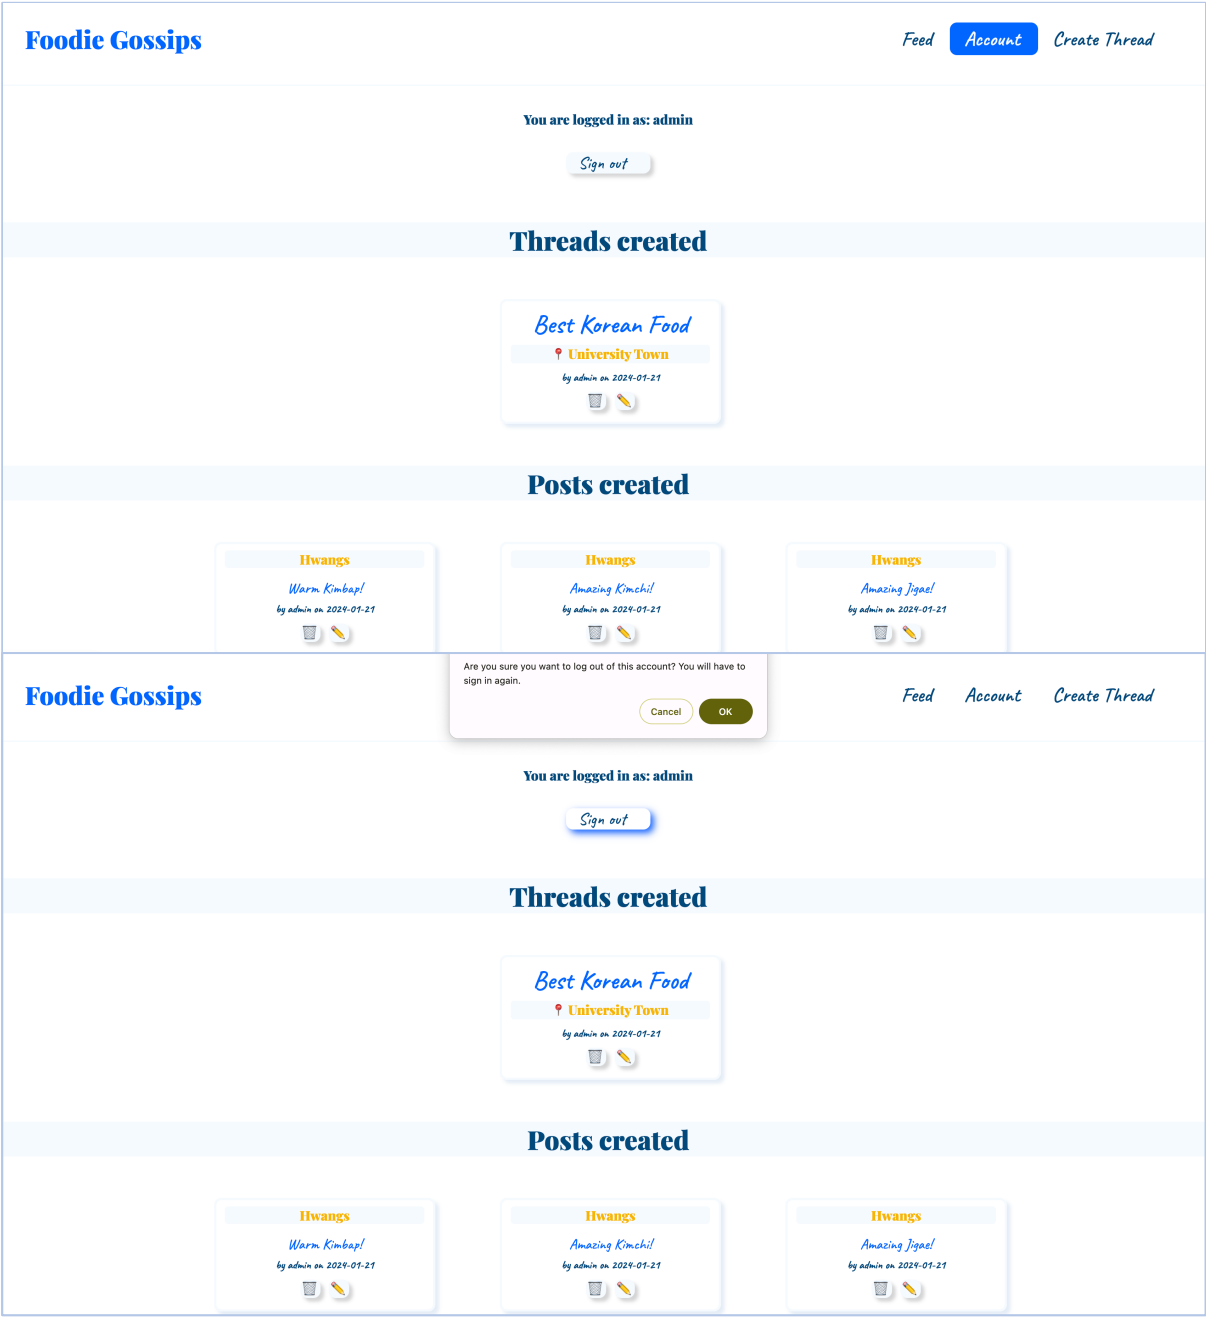

by admin on 2024-01-21

Users can sign out in “Account”.

Upon signing out, you will have to sign in with password again.

Without signing out, logged in users can revisit the forum without logging in with password if they have enabled third-party cookies.

Users can also edit and delete content they have created outside of “Account”.

If they try to edit or delete another user’s content, they will be prompted to log into that account.
